## Notice of Fee Increase on October 1, 2003

If a reply to a "Notice of Allowance and Fee(s) Due" is filed in the Office on or after October 1, 2003, then the amount due will be higher than that set forth in the "Notice of Allowance and Fee(s) Due" since there will be an increase in fees effective on October 1, 2003. See Revision of Patent Fees for Fiscal Year 2004; Final Rule, 68 Fed. Reg. 41532, 41533, 41534 (July 14, 2003).

The current fee schedule is accessible from (<http://www.uspto.gov/main/howtofees.htm>).

If the fee paid is the amount shown on the "Notice of Allowance and Fee(s) Due" but not the correct amount in view of the fee increase, a "Notice of Pay Balance of Issue Fee" will be mailed to applicant. In order to avoid processing delays associated with mailing of a "Notice of Pay Balance of Issue Fee," if the response to the Notice of Allowance is to be filed on or after October 1, 2003 (or mailed with a certificate of mailing on or after October 1, 2003), the issue fee paid should be the fee that is required at the time the fee is paid. If the issue fee was previously paid, and the response to the "Notice of Allowance and Fee(s) Due" includes a request to apply a previously-paid issue fee to the issue fee now due, then the difference between the issue fee amount at the time the response is filed and the previously-paid issue fee should be paid. See Manual of Patent Examining Procedure, Section 1308.01 (Eighth Edition, August 2001).

Effective October 1, 2003, 37 CFR 1.18 is amended by revising paragraphs (a) through (c) to read as set forth below.

### Section 1.18 Patent post allowance (including issue) fees.

- (a) Issue fee for issuing each original or reissue patent, except a design or plant patent:
- By a small entity (Sec. 1.27(a))..... \$665.00
  - By other than a small entity..... \$1,330.00
- (b) Issue fee for issuing a design patent:
- By a small entity (Sec. 1.27(a))..... \$240.00
  - By other than a small entity..... \$480.00
- (c) Issue fee for issuing a plant patent:
- By a small entity (Sec. 1.27(a))..... \$320.00
  - By other than a small entity..... \$640.00

Questions relating to issue and publication fee payments should be directed to the Customer Service Center of the Office of Patent Publication at (703) 305-8283.

## DETAILED ACTION

### *Allowable Subject Matter*

1. Claims 10, 11, 13, and 22-33 are allowed.
2. The following is an examiner's statement of reasons for allowance: Claims 10 and 13 disclose a method for real-time communication among two or more individuals separated in space, comprising the steps of: retrieving information via the first communications link about one or more additional individuals from electronic memory means associated with the second individual; and establishing communication with at least one of the additional individuals based on the retrieved information. Although, not specifically stated in claims 10 and 13, it <sup>is</sup> ~~can be~~ implied, and is understood by the Examiner, as meaning that the step of retrieving information via the first communications link about one or more additional individuals from electronic memory means associated with the second individual, is done by the first individual, and that the step of establishing communication with at least one of the additional individuals based on the retrieved information, is established between the first individual and at least one of the additional individuals. No prior art was found that discloses or teaches all of claims 10 and 13 limitations, therefore, claims 10 and 13 are allowed.
3. Claims 11 and 22-33 are dependent upon claims 10 and 13, respectively, therefore, claims 11 and 22-33 are allowed.
4. The present invention provides individuals with the choice of establishing communication with whomever they may choose, within an Internet chat environment.

The method and system offers more flexibility to individuals to choose other individuals with whom they want to engage in a conversation, where the conversation is not limited to a conventional Internet chat.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
